SESSION 2019-20

Name of Activity: world Heritage Day

Brief Report

Objective: To explore the Ancient Monuments by actual visit.

On the occasion of world Heritage Day, the students of history department visit. The date of construction is not known but the Persian historian, Firishta, records that Ahmed Shah Wali, the ninth king of the Muzaffarid dynasty built Gawilgarh when he was encamped at Ellichpur in 1425. The fort has several inscriptions in Persian recording the date of building of each of its seven gates. It has two water tanks which would have been the main water source in case the fort was besieged.
