Special Remedial Course for Slow Learner in Accountancy

2021-22

Objective:

In subjects like of Accountancy which are considered difficult, **Slow learners** are identified in first semester and they are given extra coaching so that it becomes easy for them to pass. . Owing to lo Covid-19 prolonged lockdowns at intervals the whole teaching-learning process was ruptured. Therefore extra efforts had to be taken for Slow Learners in the year 2021-22. Particularly their knowledge of accountancy was very low. The one week long course was organized from 5th October 2021.
