C.P. & Berar college has a well developed mechanism in place for promotion of gender equity. The college has devised a special policy on the issue after sufficient brainstorming. The college has a Women's Cell which is functional for more than a decade. It works on themes like legal rights of women, women's health, role of gender in society, social equity of genders and promotes leadership of women in all walks of life. The major activity of cell is conducting health check-up sessions of female students in every year as they come from lower socio-economic background and mostly underweight and having deficiency of hemoglobin. It's also the best practice of the college. In its bid to carry forward the Me Too movement the women's cell organized an event called Desi Me Too in 2018-19. The Cell conducted a research activity titled - NEWSPAPER CLIPPINGS ON VIOLENCE AGAINST WOMEN in 2019-20. Many female students participated in this project and thus got a first hand exposure to the crime against women. An Awareness Programme on Women's Rights and Laws for Women was conducted in 2019-20. College Annual Magazine focusing on the Theme of Gender Equality was published in 2019-20. Many female students contributed articles on the theme of gender in this magazine. Leadership issue of women is very important as they lag behind in many areas. So to come forward with role model of women leaders the Women's Cell conducted a WEBINAR titled WOMEN CHANGE MAKERS in 2020-21. One webinar on career opportunities and one on entrepreneurship development were also conducted in 2020-21 and 2021-22 respectively. The co-ordinator of Women's Cell also runs a NGO for women. This NGO runs a portal on news of crimes against women on National level. This is a unique activity.

The college has a Girls common room which has a sanitary pad vending machine. The room of female students is maintained and cleaned regularly. There is a redressal cell for female students and any complaint is resolved speedily. The college also boasts of a separate study room for girl students who are preparing for competitive exams. There are security cameras in campus. The college purposely promotes skill workshops, research activities etc. for girl students and strives for a better participation of girl students in sport activities. Girls Kabaddi team has brought laurels to the college.
