Session 2022-23

Name of Activity: Counselling Cell and Skill Development Program

BRIEF REPORT

Skill development is the process of improving specific skills to be more efficient and effective when you perform a task. In the workplace, you'll find three main types of skill development: Upskilling: Improving your skills in your current role. Cross-skilling: Learn new skills for your current role.

Developing skills is important because it allows you to improve attributes and qualities vital to effective workplace performance. By developing these skills, you can also begin your path to personal development, which can help you maximise your potential and achieve your career goals in record time.

Counselling can help improve mood, treat mental illness, reduce medical costs, improve communication and relationships, and promote self-esteem and resilience. Here is a list of the benefits of counselling based on research.

Understanding the importance of learning and acquiring Soft skills, that every passing out student should have it for fetching a job, workshop on soft skills was organised by Commerce Department of C.P. & Berar College.

Prof. S. D Bhave, renowned Soft skills trainer, told students that they should learn English language, master the skill of answering to the point, participate in various competitions, keep on learning new skills etc. While doing so one should stay polite

and confident. Once you have mastered in the soft skills it acts as promoting agent for your success.

Dr.MilindBarhate, praised Speaker for partnering in soft skills program. He appealed students to get benefitted fromsuch sessions apply the learnt set of skills in practical life.

Dr.MedhaKanetkar made all the efforts to ensure that the activity takes place seamlessly
