History of College

The C.P. & Berar Education Society, founded in pre-independence days i.e. 1930, in fact represents the dreams & aspirations of Late G. S. Gokhale and Late M. N. Kagbhat. These two were then young and inspired teachers, who instead of serving the British Government, nurtured a dream of setting up a model school and thereby served the society. The Central Provinces & Berar Education society, which is one of the premier prestigious institutions in Nagpur & Vidarbha, has completed 85 years of its fruitful existence. The C.P. & Berar E.S. College was established in 1960. During the last 55 years it has rendered glorious service to the entire Vidarbha by catering to the educational needs of not only local students but students from surrounding rural areas as well.

Internal Quality Assurance Cell (IQAC)

The IQAC is one of the biggest examples of decentralisation of work. It is responsible for preparing and implementing a blueprint for the working of the institution every year and reviews its policies every five years after an assessment cycle, thus endeavoring to stay in tune with the times.

- It defines the short-term and long-term objectives of the institution.
- It creates a benchmark for quality-enhancement measures.
- It devises a work plan to achieve objectives.
- It monitors and coordinates the execution.

The IQAC functions with the belief that excellence and quality are not one-time goals but continuous processes. To this end, the IQAC meets on a regular basis. New programs, up gradation of infrastructure and increasing the effective functioning of all systems are some of the major concerns of the IQAC.
