SESSION 2023-24

Name of Activity: Survey Under Outreach Activity

Brief Report

The department of Economics conducted **Survey Under Outreach Activity** on 'A Study of the Knowledge and Attitude on the solid waste management (SWM) on the 23 March, 2024.

The purpose of the survey was to encourage citizen participation and create awareness among society about the importance of working together toward making city a better place to live in.

Waste is unwanted and useless material that results from day-to-day activities. With increasing population and changing consumption pattern amid growing urbanization, waste is also increasing rapidly. Global annual waste generation is expected to jump to 3.4 billion tonnes over the next 30 years, up from 2.01 billion tonnes in 2016¹ posing its management as a major governance challenge.

A total of 200 participants were interviewed from selected largest housing area (Tulsibagh Road, Mahal) of Nagpur City. Data were recorded in MS-Excel and analysed by using descriptive statistics.

In this survey 40 Students of UG & PG was participated.
