

Department of Commerce & Management Report on

Faculty Exchange Programme
(UG & PG)
(2023-24)
Under MOU

INTRODUCTION

The faculty exchange program is one way to take advantage of the benefits of diverse faculty. Ultimate goal of educational institutions is to develop a vibrant and diverse faculty. This process, however, cannot take place overnight. It occurs slowly, one or two faculty members at a time, but the benefit will be immediate and students will have the opportunity to learn concepts and ideas presented in an entirely new and different manner. The faculty exchange program presents a unique opportunity for interaction between other institutions. They will create a greater bond among the concerned institutions and will be a powerful recruitment and retention tool. The main outcome for the exchange is targeted towards developing and enhancing the skills and knowledge content of the students and teachers of both the institution. It also helps in exchange of best practices and experiences.

OBJECTIVES

1. To develop a bond between two renowned institutions for the betterment of students and faculties by mutual agreement.
2. To exchange ideas, concepts, study material.
3. Introduction to a new environment for the students.
4. To understand current trends in the faculty.

ACTIVITY IN DETAILS:-

On day 1, 20th Feb 2024, First lecture was delivered by Dr. Aruna Wadekar madam On UG student she thought to the student about Life Insurance Features and Importance:

In this lecture Dr. Aruna Wadekar was gives a valuable information on life insurance. In introductory part Life insurance is a contract between an insurance policy holder and an insurer or assurer, where the insurer promises to pay a designated beneficiary a sum of money upon the death of an insured person. Depending on the contract, other events such as terminal illness or critical illness can also trigger payment. And the same day Dr. Medha Kanetkar madam giving a lecture for PG she delivered the lecture on Research Methodology she discussed the following topics with students as a Research is essential part of our life .without research we cannot improve our lifestyle .today we enjoy many things that make our life easy and smoothly only because of the research and innovation. so the research is most important part of our life .

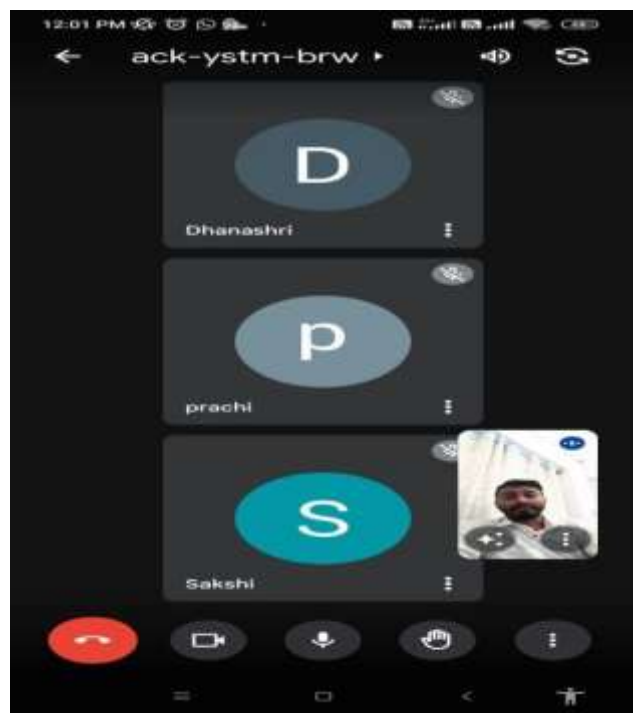

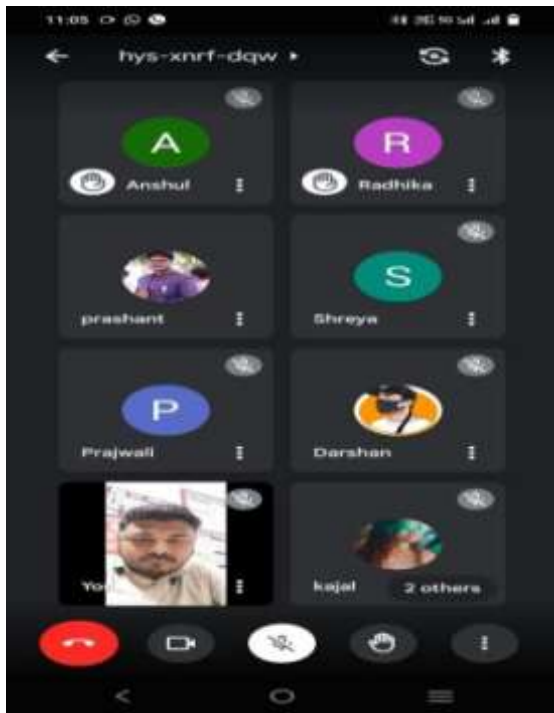

the steps of methodology of research are follow the first step is selection of the problem then literature review, objectives, hypothesis, data collection, analysis of the data and conclusion and suggestions . this methodology is useful for a good research and quality research work.
