Before the commencement of the academic year, the Institution prepares and publishes 'Academic calendar' containing the relevant information regarding the teaching learning schedule (working days), various events to be organized, holidays, dates of internal examination, semester examination etc. The academic calendar is prepared so that teachers should know all the activities regarding continuous internal evaluation process and it is also published on website of the college and displayed in the Principal's office. The students' academic progress is monitored regularly by adopting the strategy of continuous internal evaluation, seminars, project work, unit test and semester examinations. The review of internal assessment is taken by the Principal regularly. For the implementation of Internal Assessment Process, Examination committee is formed at the college level which monitor overall internal assessment process.

The examination committee, send the information to the University about the students who are appearing for the examination. After receiving enrolled list of the students' by the R.T.M. Nagpur University, the college prepares seating arrangement chart, list of invigilators etc. The record of internal assessment is maintained at college level.

Every department has to submit the compliance of the academic calendar as part of their annual submissions. In addition the internal audit conducted which ensures the compliance to verify with documentary evidence.

The process is as follows:

**Teacher:** Every teacher is assigned the subjects to be taught during the academic year. The teacher plans the teaching and evaluation schedule of assigned subject. The type and schedule of internal evaluation is Planned in consultation with the head of the department.

**Head of the Department:** The Head of the department compiles the academic plan submitted by the teachers and ensures that there is no overlapping of the activities in general and the Continuous Internal Evaluation in particular at both the internal as well as the University level. Then the Academic calendar is forwarded to the IQAC.

**IQAC:** The IQAC compiles the inputs received from the various departments

and a comprehensive plan is prepared and uploaded on the college website.
