

C. P. & BERAR E. S. COLLEGE NAGPUR

Department of Political science

Session: 2023-24

Name of Activity: Pre-Election Survey

Date : 7th to 10th April 2024

Brief Report:

The Department of Political Science at C.P. & Berar College undertook a rigorous Lok Sabha Pre-Election Survey from the 7th to the 10th of April 2024. Spearheaded by the erudite Prof. Sanjay Pusadkar, the Head of the Department, a meticulously crafted questionnaire was designed to capture the nuanced perspectives of the electorate. Entrusted with this critical task, fifteen diligent students were tasked with canvassing the Central Nagpur area, a bustling hub of political activity. Venturing into the heart of the community, these students traversed through approximately 115 households, engaging in meaningful dialogues with the residents to glean insights into their electoral preferences and concerns. As they meticulously documented the responses garnered, a tapestry of diverse opinions and sentiments began to emerge, providing invaluable fodder for nuanced analysis and interpretation.

Embracing the ethos of experiential learning, this immersive endeavor not only served as a conduit for theoretical understanding but also

provided students with a hands-on opportunity to grapple with the complexities inherent in the realm of political forecasting. Under the benevolent guidance of Dr. Arvind Joshi , whose unwavering support served as a beacon of encouragement throughout, the students embarked on this intellectual odyssey with fervor and zeal. As they navigated through the labyrinthine alleyways of Central Nagpur, engaging in earnest conversations with constituents from all walks of life, they were imbued with a newfound sense of purpose and conviction. Each encounter, each conversation, served as a poignant reminder of the profound impact that democratic processes wield upon the lives of ordinary citizens, igniting within them a fervent desire to contribute meaningfully to the socio-political tapestry of their nation.
