

Innovative Patent Design

Prerana Ratnaparkhi and her student **Ku. Shrutika Ingle** have been granted patent by the Office of the Government of India for their innovative design of a **SAREE & BLOUSE HANGING COVER WITH AN ACCESSORIES POCKET.**

The design was registered on 10th July 2023 and officially recognized on 5th October 2023. This thoughtful invention helps organize sarees, blouses, and accessories in one convenient cover, ensuring easy storage and accessibility. The patent celebrates their creative approach to solving everyday storage challenges. It is a proud moment that highlights their dedication to practical and innovative design.
