Programme Report

Programme Report

On the occasion of World Breastfeeding Week, the Home Economics Department organized a guest lecture on breastfeeding for college girl students and other college staff on August 7, 2023, at Home economics Department.

Dr. Damayanti Ghagargundea professor in the subject of home economics subject was the guest speaker. She spoke about the importance of breastfeeding for both mothers and babies. She highlighted the health benefits of breastfeeding, such as reducing the risk of childhood infections, allergies, and obesity. She also discussed the benefits of breastfeeding for mothers, such as how to latch on and position the baby, how to deal with common breastfeeding problems, and how to introduce solid foods. She also answered questions from the audience.

The lecture was well-attended by college girl students. It was a very informative and engaging lecture. Dr. Milind Barhate Principal of our college urged the students to spread the word about the importance of breastfeeding and to encourage their families and friends to breastfeed their babies. Vote of ThanksThe vote of thanks was proposed by Prof. prerana Ratnaparkhi, the Head of the Home Economics Department. She thanked Guest Speaker's for her time and expertise, and she thanked the principal for her support. She also thanked the students and staff for their attendance and participation.
