Permission Letter

To,
The Principal,
C.P. & Berar College,
Nagpur.

Subject: Permission to Participate 2 Girls Students in 'YEWS Green Club' Workshop

Respected Sir,

We, the undersigned, request your kind permission to allow the following students of our college to participate in the one-day workshop titled '*YEWS Green Club*', organized by *Shri Shivaji Science College, Nagpur*, on **19th January 2024**

1. **Ku. Devka Marathe**
2. **Ku. Nandini Pounikar**

This workshop will provide an excellent opportunity for our students to enhance their understanding of sustainability and engage in meaningful environmental initiatives. We assure you that the students will adhere to all college guidelines and submit a detailed report on their learnings post the event.

We kindly request your approval for their participation and support in making necessary arrangements for the same.

Thanking you in anticipation.

Permitted
Principal
C. P. & Berar E. S. College
NAGPUR.

Yours sincerely,

P.R. Ratnaparkhi

Workshop Report

Report on Participation in 'YEWS Green Club' Workshop

A one-day workshop titled '*YEWS Green Club*' was organized by *Shri Shivaji Science College, Nagpur* on **19th January 2024**. The workshop focused on promoting environmental awareness and sustainability initiatives among students and educators. The event was designed to inspire active participation in green practices and foster a sense of responsibility towards environmental conservation.

Participants: 1. **Ku. Devka Marathe** 2. **Ku. Nandini Ponnikar**

actively participated in this workshop, representing their college with enthusiasm and dedication. They actively engaged in all activities and demonstrated their commitment to environmental sustainability. Both students contributed innovative ideas during group discussions, earning appreciation from the organizers and fellow participants.

The *YEWS Green Club* workshop provided an excellent platform for students to broaden their understanding of environmental challenges and explore actionable solutions. It also served as an opportunity to network with like-minded individuals and gain insights from experts in the field of environmental conservation.
