Celebration**

Brief Report

Department of Economics of C. P. & Berar Education Society's College, Nagpur celebrated '**WORLD OZONE DAY-2024**' on **18 September, 2024**.

The main aim to celebrate World ozone day to spread awareness about the depletion of the ozone layer and the urgent need to preserve it.

The ozone layer of the Earth protects us from the harmful ultraviolet rays of the sun. Unfortunately, our race for maintaining a high quality of life has led to its depletion. Sustaining the Ozone layer is hence the collective responsibility of all the nations.
