Department of Political Science

Session 2024-25

Name of Activity : Voter Awareness Rally

Brief Report

The Program was held with enthusiasm on 25th October 2024 in the Department of Political Science, C.P. & Berar College. The program was organized with the aim of making the young generation actively come forward to strengthen democracy, recognize the importance of voting and instill a sense of responsible citizenship.

The program began with an inspiring speech by the Head of the Department. He convinced the students that voting is not just a right but also a duty. The students were given detailed information about the electoral process of India as well as the documents required for voter registration, procedures and available digital facilities. During the lecture, special focus was placed on the low turnout, its consequences and the positive changes brought about by the participation of young voters.

The specialty of this program was the spontaneous participation of the students. The students made a valuable contribution to voter awareness by creating various attractive and effective slogans.

Overall, this voter awareness program was a huge success. The participation of the students, the awareness spread through their slogans and the knowledge gained about the voting process created a positive atmosphere in the college about democratic values. This initiative was an important step in making the young voters more aware and responsible about voting.
