Department of Economics

SESSION 2025-26

Name of Activity: Research Methodology Workshop

Brief Report

The Department of Economics organized a one-day workshop on Research Methodology on April 8, 2026, specifically tailored for the academic advancement of postgraduate students.

The program commenced with an introductory address by Dr. Jitendra Mahajan (HOD and Vice Principal), who welcomed the guests and emphasized the growing importance of research literacy in higher education. The workshop was presided over by the Honorable Principal, Dr. Ajay Kulkarni, who delivered the presidential address, encouraging students to develop an analytical mindset and leverage research methodologies to address contemporary socioeconomic challenges.

The technical session was conducted by the expert resource person, Dr. Ashwin Jaiswal. Drawing from his extensive expertise, Dr. Jaiswal provided deep insights into effective research report writing. He meticulously covered key components of a research report, including formulation of objectives, data interpretation, structuring chapters, maintaining academic integrity, and avoiding plagiarism. The session was interactive, allowing the 40 attending M.A. Economics students to clarify practical doubts regarding their ongoing project work and academic writing.

The event was smoothly anchored by Mr. Rahul Raut, and concluded with an official vote of thanks proposed by Dr. Vinod Dongarwar, expressing gratitude to the management, resource person, and participants for making the workshop a resounding success.

Outcomes of Workshop

The workshop witnessed highly enthusiastic and disciplined participation from 40 economics students. The interactive Q&A session at the end of the workshop highlighted the students' keen interest in adopting these methodologies for their future projects and assignments.

Key Outcomes:

- Participants demonstrated an improved grasp of how to structure an academic research paper.
- Students gained clarity on selecting specific statistical measures based on variable types.
- Enhanced capacity among final-year students to successfully undertake mandatory institutional projects.
