The institution is an affiliated college of Rashtrasant Tukdogi Maharaj Nagpur University . The university has launched already CBCS curriculum for UG and PG programs from the 2017 and NEP-2020 laucheed for PG level 2023-24. The institute has been offering major arts courses (Marathi, English, Sankrit, Economics, Sociology, Political Science, History, Psychology, Home Economics, Physical Education and Sports) and Commerece for the UG and PG degree programmes. In the CBCS and NEP 2020 framework, curriculum offered by affiliating university includes Elective Courses which makes the curriculum multidisciplinary. The institution offers PhD programmes with adequate research facilities in majorarts snd Commerece subjects. The faculty and research students are encouraged to undertake interdisciplinary/multidisciplinary research projects. The HEI has established MoUs with other HEIs and research institutes offering some special courses, so that students can opt for these courses. The HEI is now offering CBCS curriculum at UG and PG level programs.					
16. Academic bank of credits (ABC):					
The affiliating university has introduced a Choice Based Credit System for UG and PG degree programs for affiliated HEIs and also registered for ABC. So, the students enrolled for UG and PG programs in academic session 2023-24 are registered for ABC. From 2023-24 affiliateing university Luanched NEP 2020 for Post Graduate level and in NEP 2020 Academic bank Credits compulsory for all adimitted students.					
17. Skill development:					

The Institution is already conducting the skill courses as designed by affiliating university in UG and PG level. Also, under the employability of student in skill courses, the college has already been running courses such as Rakhi Making workshop, painting workshop, Soft Skill & Personality Development programme. The institutional preparedness reflects clearly as LIC has signed MoU for the employability skill development programme with this college. Proper synergy is the need between skill development and industry and to vocationalise education with mainstream education with earned credits in phased manner. For this, proper labs should be set up in the college and the said work has already started creating such lab structures in the college itself.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

In order to promote /integrate the local language, art and culture, compulsory activities in the curriculum has to be added like literary activities etc. and through discussions/interactions/symposiums etc in local languages which will fetch extra credit to the student. These changes will also increase the employability opportunities for the teachers and subject matter experts of these languages. Frequent field trips to local heritage sites/museum shall value their culture and traditions. This college organize Marathi bhasha pandharwada, Kavi Kulguru Kalidas day as Sanskrit Day, to develop interest in marathi and Sanskrit language among students.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The new model under NEP called STEAM-focused on experiential, application-based learning and research-based internship. As a part of holistic, all encompassing education, students will be given internship opportunities with local industries, businesses and local communities as well as research internships to improve their employability. PhD students and faculty are encouraged to undertake high quality outcome-based research so as to produce intellectual property (Patents and Copyrights). Students are encouraged to participate in University Aavishkar, Innovation Competition, etc. for exploring the practical side of their learning and promoting innovation among students. The research internships with faculty and researchers at their own or other HEIs/research institution for undertaking product-based research and to further improve their employability and entrepreneurship.

20.Distance education/online education:

NEP emphasized distance education / online education expand the access to education and training for employed students; since its flexible scheduling reduce the effects of the time constraints imposed by personal responsibilities and commitment. The Institute has already started working on these aspects. The facility is created for imparting online education and teachers are encouraged to create online add-on and skill courses. Teachers are encouraged to develop e-content and online teaching material. This institution is preparing to make available all such type of e-content material such as video lectures, Audio books, Digital books etc. prepared by faculty members to all students through online mode to meet the future challenges. 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The C.P. & Berar College has always been mindful of the fact that the simple chalk and blackboard method is insufficient in these days where students have to face a great deal of competition in the outside world. The institute has come up with a range of programs/campaigns/initiatives that have helped our students get an extra edge. The methodologies used were

1. **Participative Methods:** These include seminars, webinars, workshops, etc. where students are able to be active instead of passive participants. Students are encouraged to ask questions during or after seminars or webinars. They are made part of the organising process where a campaign is concerned.

2. **Experiential Learning:** The institute has also held a number of programs that give students a chance for practical experience. These kind of activities primarily include On the Job Training, Internships, Industrial Visits, Educational Tours, etc. Attempt is also made to bring out the creative side of students by holding poetry reading sessions, Oratory Competitions and Quiz Competitions and Rakhi Making Workshop.

3. **Problem Solving Methodologies:** Students often face practical problems when making their way ahead in their career. The institute makes sure students get support at such times conducting vocabulary development workshop, resume writing etc.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college has transparent and robust evaluation process in terms of frequency and variety. In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. The Principal holds meetings of the faculties and directs them to ensure effective implementation of the evaluation process. At the entry level, admissions are given purely on merit basis and the lists of merit students are displayed on Notice board. Students who are admitted for the concerned course are assessed continuously through various evaluation processes at college and University level. Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visit / Field Work and Seminars Presentation. Unit tests are conducted regularly as per the schedule given in academic calendar.

For transparent and robust for internal assessment, the following mechanisms are conducted

- Internal Examination Committee.
- Question Paper Setting.
- Conduct of Examination
- Result display
- Interaction with students regarding their internal assessment

The method of internal assessment helps the teachers to evaluate the students more appropriately. Due to internal assessment, the interest of the student towards learning and attending the classes has been also increased.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

As per established norms, Course outcomes are unique knowledge and skills expected to be gained from a given course. Programme outcomes are one step broader statements that describe what students are expected to know and be able to do upon the completion of a specific program.

The graduate and post graduate program outcomes have been displayed on the college website. Every department depending on the program they are offering has stated the programme specific outcome. The program outcomes for every course have been clearly stated. These are available on college website. The course outcome elaborates on the content of the course and the competencies a learner would acquire after successful completion of the course. Along with the course outcomes the learner outcomes are also described.

During the induction program students are made aware about the POs, PSOs and COs which are described and available on the college website. In addition, a hard copy of the same is available with every subject teacher to appraise the students about the expected outcome after completion of the course. The information on PSOs and COs helps students to make a choice on the course that he or she would like to pursue.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

A good performance Appraisal system works towards the improvement of the overall organisational performance of teams and individuals for ensuring the achievements of the overall organisational mission and vision. An effective performance Appraisal system plays a crucial role in managing the organisation in an efficient manner. In line with this, the Institute is following Performance Based Appraisal

System (PBAS). In this scheme, the performance s are classified into three categories (i) Teaching, Learning and Evaluation related activities (ii) Co-Curricular, Extension and Professional Development related activities (iii) Research Publications and Academic Contributions. These are called Academic Performance Indices (API). At the end of each academic year, the data pertaining to the above categories are collected from each faculty member in the proforma. Based on the data collected, API scores are calculated for each of the three categories. The Principal in consultation with senior Professors fix certain minimum API scores to be achieved by the faculty members in the three categories. These scores are used for the award of career advancements to faculty members and for promotion to next higher position. As such there is also performance appraisal system followed for non teaching staff in the institute.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institution always monitors the effective and efficient use of available financial resources for the infrastructure development to support teaching learning process. Along with admission fee, research students fee and funding from alumni are add on resources for mobilization of funds. These funds are utilized for all recurring and non-recurring expenditure. The institution has a well-defined mechanism to monitor effective utilization of available financial resources. All the administrative and academic heads along with coordinators of different cells will submit the budget requirements for the coming academic year. The finance committee prepares an annual budget estimate. All the major financial decisions are taken by the institute's financial committee. Institute adheres to utilization of budget approved for academic

expenses and administrative expenses by management. After final approval of budget the purchasing process is initiated by purchase committee which includes all head of departments and superintendent, accordingly the quotations called and purchase orders are placed after final negotiations. All transactions have transparency through bills and vouchers. The entire process of the procurement of the material is monitored by the IQAC, purchase committee and principal. Financial audit is conducted by chartered accountant for every financial year to verify the compliance.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC is one of the major policy making and implementing unit in our college. It strives hard for upgrading the college infrastructure and all support facilities to meet the standards of higher education and growing need of students.

- **Academic Audit through IQAC :** The college takes academic audit of each department every year through IQAC to increase the quality of education. Academic Audit Committee is set up for this purpose. At the beginning of academic session, the committee collects academic plan including publication, extension activity, collaboration, innovative and best practices, assignment, ICT based activity, students competition, seminar and workshop supposed to organize for better performance.
- **Implementation of Green practices:** The IQAC proposed to initiate various green practices to maintain eco-friendly college campus through the activities i.e. Tree Plantation, Paperless Work, Plastic Eradication, Clean Campus, No Vehicle Day, Save Power, Awareness Programme on Renewable Energy and e- Waste Management. For the better implementation of green practices.
- **Use and enrichment of ICT infrastructure:** IQAC always encouraged

teachers to utilize ICT tools in classroom teaching and laboratories. IQAC prepares the plan to include the use and enrichment of ICT infrastructure expecting from each departments.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

C.P. & Berar college has a well developed mechanism in place for promotion of gender equity. The college has a Women's Cell which is functional for more than a decade. It works on themes like legal rights of women, women's health, role of gender in society, social equity of genders and promotes leadership of women in all walks of

life. The major activity of cell is conducting health check-up sessions of female students in every year as they come from lower socio-economic background and mostly underweight and having deficiency of haemoglobin. It's also the best practice of the college. The Cell conducted a awareness programme on prevention sexual violence against women. Home Economics department of college conducted Rakhi making workshop, painting workshop, Cake making workshop every year for girls students.

The college has a Girls common room which has a sanitary pad vending machine. The wash room of female students is maintained and cleaned regularly. There is redressal cell for female students and any complaint is resolved speedily. The college also boasts of a separate study room for girl students who are preparing for competitive exams. Girls Kabaddi team has brought laurels to the college.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste

management Biomedical waste management E-waste management Waste recycling system
Hazardous chemicals and radioactive waste management

One of the institution's principle is to keep the campus inpristine condition in order to provide a conducive environment for academic and non-academic interests. All stakeholders follow good hygienic practices as well as a comprehensive waste management plan. The core concern is to reduce, reuse and recycle wastes generated in the campus.

The college has different dustbins for different types of waste, such as biodegradable, recyclable and non-degradable. Organic waste is disposed off in compost pits and processed and reused as manure for the plants and trees inside the campus. Plastic usage is prohibited on campus so as to create a plastic-free zone.

For liquid waste management, the water transport system is inspected for leaks in pipes, taps, valves and other components on a regular basis and promptly repaired.

The Physical Education department has a first aid medical kit, where students are more susceptible to minor injuries. The kit's waste such as cotton gauze and plaster are disposed along with non degradable wastes.

All E-Wastes such as computer, its accessories and all electronic wastes are collected and discarded through the authorized vendor to ensure no hazard to the environment.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

To build a nation of youth who are noble in their attitude and morally responsible, the college organizes and conducted several activities to build and promote an environment for ethical, cultural and spiritual values among the students and staff. Commemorative days are celebrated on the campus not only recreation and amusement but also to generate the feeling of oneness and social harmony. The institution believes in equality of all cultures and traditions as is evident from the fact that students belonging to different caste, religion, regions are studying without any discrimination. Though the institution has diverse socio-cultural background and different linguistic, we do not have any intolerance towards cultural, regional, linguistic, communal socio economic and other diversities. The college staff and students jointly celebrate the cultural and regional festivals, like Teacher's day, Induction program, plantation, Women's day and Yoga day. Motivational lectures of eminent persons of the field are arranged for all-round development of the students for their personality development and to make them responsible citizens following the national values of social and

communal harmony and national integration. We have also built up many strong infrastructures for a variety of sports activities for the physical development of the students.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

At CPBERAR Institute, we believe in giving holistic education to the students. Sensitizing students on our constitutional rights, values, duties and responsibilities. Sensitization of students and employees of the Institution to the constitutional obligations is done through curriculum and extra-curricular activities. Many of the subjects offered have topics which sensitize the students about the constitutional obligations. The University has introduced a paper on the Constitution of India at B.A. in political science across all faculty of humanities to create awareness and sensitizing the students and employees to constitution obligation. As a part of strengthening the democratic values. Also, all economics P.G. students take a course on Environment studies in their first year which gives them insight into various environment related acts. In addition to this many regular programs are conducted by Institute to educate women about their rights. Also seminars and workshops are conducted on days of national importance on various rights, duties and responsibilities of citizen. Seminars on topics like human Right to Information, Sexual Harassment, and Gender Equity are conducted periodically. Every year Republic Day and . Independence Day is celebrated to highlighting the importance of Indian Constitution. And highlight struggle of freedom and importance of Indian constitution.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice I: AROGYA SAMPADA CLINIC FOR GIRL STUDENTS

The majority of the students learning in the institution belong to economically and socially backward classes. Mal-nutrition, low level of haemoglobin affects the over-all development of girl students. During Blood-Donation Camp organized by the institution, it has been observed that girl-students can't donate blood on account of low haemoglobin levels and under-weight. So, Women's Cell of the institution decided to medically assist girl-students for better health. better health and freedom of girl students from malnutrition The Practice The clinic Arogya Sampada started in 2012. In session 2023-24Arogra Sampada Camp organised twotime.

Best Practice II: Research Methodology Workshop

Objectives of workshop - to provide new and original insights into the problems are the area under investigation The practice Contents of the workshop - Research Topic Research Design Research management Questionnaire preparation Hypothesis Formation Procedure of Research Proposal Sampling Method Resources Required: Resource persons, seminar hall, ICT facilities In the year 2023-24this best practice could conducted two time .

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within

200 words

While the college has a student centric approach right from inception, I.Q.A.C. realized that actually it was male -student centric approach as the most vocal students in any higher education institution are male students. Therefore an important thrust area of the college for the last five years has been the overall development of girl students.

Numerically the male-female ratio of admitted students in all programmes is in favour of male students. This is also a reason behind the change of priority from concerns of male students to that of girl-students.

In the beginning of academic year Principal discusses the issue of giving priority to concerns of female-students. Accordingly the faculty plans its activities.

The change can be seen in activities for girl students of Home Economics, Sports, Women's Cell, Mentor Mentee scheme, Communication Skills programs, ICT skills programs, doctoral research, participation in research model competitions etc. The patents awarded to female faculty member are more as compare to male faculty members.

Earlier the focus of institution was more on male students as the girl students never came forward with specific demands. But now Co curricular activities, skill development programs, add-on courses etc. were having greater focus on femal students.
