Internal Quality Assurance cell (IQAC)

SESSION 2025-26

Name of Activity: Tree Plantation Program

Brief Report

Internal Quality Assurance Cell (IQAC) and National Service Scheme (NSS) jointly organised **Tree Plantation Programme** on 26th July 2025 under the theme of **Ek Ped Maa Ke Naam**. The Programme aimed to raise awareness about the importance of tree plantation in combating climate change and preserving the environment. Under the guidance of their teachers, the students enthusiastically participated in planting a variety of saplings around the campus. The event not only provided an opportunity for the students to contribute to a greener environment but also instilled in them a sense of responsibility towards nature.

Commandant offi. Principal Dr. Ajay Kulkarni inaugurated the plantation drive by planting the first sapling, setting an example for others to follow. IQAC Coordinator Dr. Vinod Dongarwar, Shri. Sanjay Pusadkar, Shri Bharat kade (NSS Coordinator) along with other faculty members, joined in planting various types of tree saplings in the designated area. NSS students participated in the initiative, contributing to the greening of the surroundings.

During the program, Offi. Principal Dr. Ajay Kulkarni emphasized the importance of trees in regulating temperature and absorbing carbon dioxide from the air. They highlighted how trees enhance the greenery of the environment and serve as habitats for numerous birds and animals. Encouraging students to take an active role in environmental conservation, the principal sir suggested that each student should commit to planting at least one tree annually to contribute to the global effort against climate change.

Dr. Nishant Tipte, Prof. Perna Ratnaparkhi, Dr. Dinesh Khurge, Shri Sachin Duratkar were presenting during the programme.

Major Outcomes

Major outcomes of tree plantation program were-

- 1) **Community Engagement:** Encourages interaction with local residents, NSS/NCC volunteers, and civic authorities, deepening community integration.
 - 2) **Extension Activity Credit:** Fulfills mandatory extension and community outreach requirements for NSS, NCC, Eco-Clubs, and institutional accreditation frameworks.
 - 3) **Leadership & Collaboration:** Working in groups to dig, plant, water, and map saplings strengthens communication, task distribution, and peer leadership skills.
 - 4) **Community Engagement:** Encourages interaction with local residents, NSS/NCC volunteers, and civic authorities, deepening community integration.
-
