Internal Quality Assurance cell (IQAC)

SESSION 2026-27

Name of Activity: Tree Plantation Drive

Brief Report

On 10th August 2026, the Internal Quality Assurance Cell (IQAC) in collaboration with the National Service Scheme (NSS) unit and the Green Club organized a comprehensive Tree Plantation Programme.

The programme commenced with the formal inauguration led by Officiating Principal Dr. Ajay Kulkarni, who planted the inaugural sapling in the designated campus green belt. Addressing the gathering, Dr. Kulkarni elaborated on the scientific significance of afforestation, detailing the role of mature trees in atmospheric carbon sequestration, microclimate temperature stabilization, and habitat support for urban biodiversity. He issued a call to action for the student community, recommending that each student pledge to plant and sustain a minimum of one tree annually.

Under the structured supervision of faculty coordinators and committee members, NSS student volunteers conducted the physical plantation across demarcated areas of the campus. Multiple native species and environmental saplings were planted with proper soil preparation, watering protocols, and protection measures.

The drive observed active participation from administrative leadership, including Vice Principal Dr. J. K. Mahajan, IQAC Coordinator Dr. Vinod Dongarwar, NSS Coordinators Dr. Arvind Sovani and Shri Bharat Kade, Green Club Coordinator Dr. Purna Ratnaparkhi as well as key faculty members Dr. Nishant Tipte, Dr. Dinesh Khurge, and Shri Sachin Duratkar.
